

About Your Personal Benefit Statement

Your *Personal Benefit Statement* is mailed to you in June if you worked at least 250 covered hours in the previous calendar year and have a valid mailing address on file. The statement shows the employer contributions paid in the previous calendar year based on your collective bargaining agreement.

Take the time to check your Plan coverage on your statement and compare how your employer's contributions add up each year. Keep your statement with past copies in a safe place. Contact your Area Administrative Office if you have questions regarding the hours shown on your statement.

Personal Benefit Statement Sample

This sample statement can help you understand your Plan coverage. It assumes that this participant has a basic contribution rate of \$2.15 for the calendar year 2016.

Note: The exact contribution rates for your covered employment are shown in your collective bargaining agreement.

Vesting Status Your *Personal Benefit Statement* shows your vesting status. If you are not vested, this box shows your number of vesting years as of the previous December. If you qualify for Special Vesting, your vesting status may indicate that you must first gain Active Participation before becoming vested.

Plan Coverage You can see that this participant's basic contribution rate in the previous December was \$2.15 by dividing the monthly contribution shown (\$337.55) by his covered hours worked that month (157 hours). *Note: The exact contribution rates for your covered employment are shown in your collective bargaining agreement.*

PEER Coverage On your statement, months with PEER coverage are marked with this "P" symbol (which stands for PEER or the Program for Enhanced Early Retirement Benefits). Just because you worked under a PEER contract in some years does not mean you will qualify for PEER benefits when you retire.
