

REPORT OF INDEPENDENT AUDITORS

To the Participants and Trustees of
Western Conference of Teamsters Pension Plan

We have audited the accompanying statements of net assets available for benefits of the Western Conference of Teamsters Pension Plan (the Plan) as of December 31, 2009 and 2008, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform an audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the Plan's management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, information regarding the Plan's net assets available for benefits as of December 31, 2009, and changes therein for the year then ended and its financial status as of December 31, 2008, and changes therein for the year then ended, in conformity with accounting principles generally accepted in the United States of America.
